OLD HICKORY TOURNAMENT, JUNE 6TH

Our next tournament is at Old Hickory Lake, Bulls Creek, June 6th. I hope the rain tapers off a little and lets the water slow down a little. The current has been rough lately. I'm sure Flipper's will have plenty for us to eat that morning so lets support them for getting up so early. It's still not to late to join the club and fish the Classic, so if you know of anyone that is looking for a club, you can't do better than the Nashville Bass Anglers. Looking forward to seeing everyone at Old Hickory.
