MARCH 13TH TOURNAMENT

We had a pretty good turn out for the tournament at Center Hill. Twenty-nine members were present, weighing in 38 fish. Some were nice smallmouths. Check the Web site for details. www.nashvillebassanglers.org.

ROYCE WOODRUFF June 9, 1947 – February 8, 2010

Our Brother and Fishing Buddy lost his battle with COPD. We will all miss Royce. He was an important member of our club. Let our prayers and thoughts be with his love ones during this time of sorrow. Also, we want to extend our thoughts and prayers to Adam Duncan in the loss of his father, Randy Duncan. May the Lord comfort these families during this sad time.
