APRIL 10TH TOURNAMENT

I think we would like to have the Percy Priest tournament over, on a little better day. It was hard going out there this weekend. Hope our tournament at Barkley is a lot better. Check the Web site for details. www.nashvillebassanglers.org.

LAKE BARKLEY

Our next tournament is at Barkley Lake, Lick Creek on May 8th. Hope everyone plans to attend. We now have around 35 members and we have room for plenty more, so if you know of anyone that is looking for a club to join, tell them to give me a call. See you at Barkley.
