APRIL 10TH TOURNAMENT

Well we finally got to have the Barkley Tournament. The water was muddy and trashy. Hope no one suffered any damage to their equipment. Maybe the Kentucky Lake tournament coming up the 5th of June will be better conditions. Check the Web site for details. www.nashvillebassanglers.org.

KENTUCKY LAKE

Our next tournament is at Kentucky Lake, New Johnsonville, June 5th. Hope everyone plans to attend. We now have around 39 members and we have room for plenty more, so if you know of anyone that is looking for a club to join, tell them to give me a call. See you at Kentucky Lake.
