**June 5<sup>th</sup> TOURNAMENT**

Well the Kentucky Lake tournament turned out a lot better. Several big fish were caught the biggest being a 7.07 lb largemouth, caught by James McWright, followed by a 7.00 lb largemouth caught by one of our new members, Sounthron Chandavone. Good fishing guys. Check the Web site for details. [www.nashvillebassanglers.org](http://www.nashvillebassanglers.org).

**CHEATHAM LAKE**

Our next tournament is at Cheatham Lake, City Ramp, July 17<sup>th</sup>. This lake is pretty close to home, hope everyone can make the trip. Rumors have it that some pretty good bass are being caught. Hope that's the truth. See you there.
