JULY 17TH TOURNAMENT

The Cheatham Lake tournament turned out to be a little cooler than we expected, but that didn't help the fishing too much. We had several nice fish caught in the 4 to 5 pound range, but nobody had a limit. The best 4 fish weighed 10.63. Maybe next month. Check the Web site for details. www.nashvillebassanglers.org.

OLD HICKORY TOURNAMENT

Our next tournament is at Old Hickory Lake, on August 14th at Flipper's. Hope it cools down some more but I think that's wishful thinking for August. Maybe the fish will turn on anyway. Good luck!! See you there.
