AUGUST 14TH TOURNAMENT

The Old Hickory Tournament was a sizzler that is the weather was. It was really hot, hope no one got sick from the heat. Fishing was really slow, but a few guys were able to catch a few. Check the Web site for details. www.nashvillebassanglers.org.

OLD HICKORY TOURNAMENT

Our next tournament is at Percy Priest, out of Fate Sanders, September 11, 10. I really don't have any reports on Priest, but I don't think it could be any worse that what we have been going through. Just pray that the weather breaks that week and we have a nice day to fish. Good luck!! See you there.
